

New Contractor (Private Operator) Membership Application

Membership Year: 2022-23

Thank you for applying for membership to the National School Transportation Association (NSTA), as a Voting Member (Contractor). NSTA has been the leading resource for school transportation solutions and the voice for private school bus operators for over 57 years. Our members range from small family businesses to large multi-state operators. As you may know, private school bus contractors account for nearly 40 percent of the nation’s pupil transportation services and employ more than 250,000 individuals nationwide as bus drivers, mechanics, maintenance workers, dispatch, and office workers.

In order to begin your onboarding with NSTA, please complete this application form and return a scanned copy to info@yellowbuses.org - at your earliest convenience. As your application is being reviewed, you will be placed on our mailing list to receive NSTA member communications and invitations – and we invite you to participate immediately.

Membership Dues:

Contractor membership dues are based on your active fleet size. Fleet size refers to your **active contracted vehicles and does not include spares**. Membership costs just \$150.00 for your first vehicle and only \$21.00 for each additional vehicle.
