

Title Sponsor: Beacon Mobility

Presented By: National School Transportation Association

2024 School Bus Driver International Safety Competition

AUSTIN, TEXAS | JUNE 29-30, 2024

SPONSORSHIP OPPORTUNITIES

The School Bus Driver International Safety Competition is the industry's most recognized event bringing together the best school bus drivers from across North America and giving them the opportunity to showcase their knowledge and safety skills in a competitive format. National School Transportation Association (NSTA), host and organizer of the competition, is looking to friends of the school transportation and education community to support this event.

Having financial assistance like yours is critical in offsetting the cost for the proper execution for the School Bus Driver International Safety Competition. As you can tell by the many categories below, it takes a lot of planning and coordination to make the competition a success! Your sponsorship will provide drivers with a positive competition experience by covering the costs of materials for their awards, trophies and other expenses that come along with an event of this size. Sponsorship of the School Bus Driver International Safety Competition will also provide an opportunity for you to support and promote school bus safety within our community and the public.

Please submit your sponsorship by May 15, 2024.
