

**STARTS Task Force Organizational Proposal from NAPT, NSTA, and NASDPTS
Student Transportation Aligned for Return to School**

**Presidents and Executive Directors of the three associations; the Steering Committee will serve as the policy and final decision-making body.*

***Interested and qualified advisors from other national or state agencies, associations, and the commercial sector. To date the following agencies have been informed and invited to participate: AASA, NSBA, NPTA, CGCS, NASN, CSSO, NGA.*

****Each Subcommittee, preliminarily named above, will research specific aspects of the student transportation response, planning, and support for returning to school. Following public outreach and input from the Advisory Panel, the Steering Committee will select Subcommittee Chairs from qualified and interested individuals. Subcommittee Chairs will then select qualified Subcommittee members. This draft chart may not reflect the final makeup or number of Subcommittees.*
